

Welcome To JaMar UK

Points For Holidays Scheme

JaMar UK have designed and copyrighted the only free holiday scheme available throughout North Wales. We believe in customer satisfaction and decided to design the Points For Holidays Scheme.

Free Holidays are now possible using this Specially Designed and Operated Scheme. All guest's Booking through our website can take advantage of this unique scheme. The Scheme is only available on selected Caravans.

How the scheme works is simple, Guest's need to make a reservation through the website you will be asked to submit a valid email address and password this will be used later to gain access into your own account section found on the website. Upon making a Reservation and the Reservation becoming "Confirmed" i.e. (paid for in full) we allocate you points equal to the number of nights the Reservation is for, these points allocated can be viewed in your Account Login Section. Points collected can then be surrendered for FREE HOLIDAY STAYS or Holidays discounted by 50%. The more you Collect the more Free stays you have.

Surrendering points for FREE HOLIDAYS is simple simply log into your own Account Section select a new Reservation select the Dates, Number of nights, view the Holiday breakdown Schedule price page and select the dates you require FREE or Discounted.

Points are 1 point allocated for every night stay and surrendered back on a basis of 6 points for 1 night discounted to 50% points allocated at 42 or more can be surrendered for a FREE 7 NIGHT HOLIDAY any date, any season throughout the year our season being 1st March till 10th January.

If you require any further assistance regarding this Rewarding Scheme please Contact us.
